EXPERIENCE

Frontend Developer

ITL Webbureau - Internship

Jan 2023 - Mar 2023

Vejle, Denmark - On-site

Created visually appealing websites using WordPress and Elementor and enhanced existing websites through edits, bug fixes, and adjustments to improve user experience. I assisted in modern website design, adhering to brand guidelines. Additionally, implemented SEO best practices for improved visibility and managed multiple projects in a fast-paced environment, meeting deadlines.

Survey Programmer

Bright Marketing Research - Full-time

Jul 2019 - Aug 2021

Sofia, Bulgaria - Hybrid

Developed online surveys using XML, CSS, and Python on Decipher platform, ensuring accurate development based on provided questionnaires and conducting quality assurance tests, ensuring a high-quality user experience. Collaborating with external project managers via email, applying survey translations, and implementing data-checking procedures to maintain data integrity and reliability.

EDUCATION

Academy Profession - Multimedia Design, Web Development

IBA Erhvervsakademi Kolding

Aug 2021 - Jun 2023

Kolding, Denmark

During my university education, I gained a comprehensive skill set that encompasses various areas of expertise. I honed my communication and presentation abilities, acquiring proficiency in copywriting. I also delved into graphic design, learning about aesthetics and acquiring skills in audio/video editing. My education included an in-depth exploration of IT systems, data communication, and web development.

- C#
- WordPress
- Elementor, Divi
- Decipher Survey Platform

HOBBIES

Gaming, Electric Guitar, Fitness

In my leisure time, I find joy in exploring the realms of music and video games. These artistic pursuits enrich me in unique and diverse ways. Additionally, as a firm believer in the importance of holistic well-being, I actively engage in fitness activities to nurture both my mental and physical health.

Furthermore, I developed a strong foundation in project management, concept development, and business understanding. Additionally, I gained insights into the field of marketing and acquired knowledge about leveraging social media platforms for effective brand promotion.
